## TRAININGS

### **Web Development**

udemy, Online

Aug 2022 - Feb 2023

Completing a comprehensive web development course on Udemy has equipped me with a strong foundation in HTML, CSS, JavaScript, and server-side scripting with Node.js. Practical projects allowed me to build dynamic websites and applications, while learning best practices in coding, optimization, and deployment. This experience has empowered me to create responsive and user-friendly web solutions.
